TOM X

The page contains a large grid with 10 columns and 8 rows, forming a 10x8 grid of squares. The grid is drawn with thin purple lines on a light-colored, slightly textured paper. The grid is mostly empty, though there is a very faint, illegible blueish mark in the upper-left quadrant of the grid area.

PROSPECTOR PROSPECTOR X

The image shows a sheet of graph paper with a grid of 10 columns and 10 rows. A faint pencil sketch is drawn across the grid, starting from the left edge at the 5th row from the top, extending horizontally to the 3rd column, then rising diagonally to the 4th row at the 4th column, and finally rising more steeply to the 2nd row at the 5th column. The sketch is very light and appears to be a preliminary drawing.
