KELLEY

The image shows a page from a ledger or account book. The page is ruled with a grid of 12 columns and 10 rows. The columns are numbered at the top from 300 to 311. The paper is aged and has a prominent diagonal crease running from the top left towards the middle of the page. The grid lines are light blue or green. The page is otherwise blank, with no entries or text.

The image shows a grid of 10 columns and 10 rows on aged, yellowish paper. The grid lines are faint and light blue. There are several faint pencil sketches scattered across the grid. One prominent sketch is a curved line starting from the top-left quadrant and extending towards the center. Another sketch is a straight line with a small rectangular block at its end, located in the middle-right section. There are also several smaller, less distinct sketches, including some that look like small rectangular blocks or dots. The sketches are very light and appear to be made with a pencil.
